Missouri University of Science & Technology's Intensive English Program's staff have completed facilitator training through the GRE Preparation Workshop

WHY ATTEND THE WORKSHOP?

This workshop is designed for participants who are seeking the opportunity to practice, engage, and ask questions in order to prepare for the GRE general test. This opportunity will enable participants to broaden their scope of learning the material instead of only reading from GRE preparation handbooks. Participants gain the following from attending the workshop:

- Clarification of the material in preparation resources
- Exposure to the GRE general test with practice tests
- Assessment of skills in the three sections of the test to find weaknesses and provide ideas for improvement
- Enhancement of test taking skills

COST:

The cost for this 14-hour workshop is \$400 and includes access codes for GRE online testing
